

Farm Pack

Farm insurance developed for
Australian horse owners

Gow-Gates are continually looking to develop unique insurance offerings for Australian horse owners. In conjunction with Allianz Australia Insurance Limited and Lloyd's of London, we have developed a specialised farm insurance package – Farm Pack.

Key features and benefits of Farm Pack include:

- Cover for your home property and farm property including stables, arenas, fencing, equipment and farm vehicles.
- Liability cover for horse related claims, including income earning activities such as riding schools, coaching, agistment, studs and spelling yards.
- Liability cover for claims relating to injury or death of horses in your care, custody or control.
- Cover for horse trucks and floats.
- Accidental damage cover, and theft from a locked building or vehicle, for saddlery and tack, even when temporarily removed from your farm.
- Up to \$15,000 cover is provided for the temporary accommodation of your horses.
